Mimos, Blue Archipelago in aquaculture tie-up

KUALA LUMPUR: [Mimos Bhd](#) and [Blue Archipelago Bhd](#) recently signed a memorandum of understanding (MoU) for a partnership to collaborate in the field of aquaculture solution.

Blue Archipelago Bhd is Malaysia's leading aquaculture company while Mimos is Malaysia's national research and development centre in information communication technology.

In a statement yesterday, Mimos said under the partnership, Blue Archipelago would undertake its technologies to improve the company's production efficiency, by automating some of its key aqua farming processes.

Agriculture is one of the Mimos technology verticals, which includes government, healthcare, education, public safety and communications. — Bernama

Blue Archipelago was represented by its [chief executive officer Abu Bakar Ibrahim](#) and [chief operating officer Christopher Lim](#). — Bernama
